REPORT OF THE AUDITOR

This is to certify that I have this day examined the accounts of the Town Officials of the Town of Langdon, and have found them correct and properly vouched to the best of my knowledge.

GEORGE L. PORTER
Auditor

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds, but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947, nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.
4. Most important — instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

STATE	463 fires	160 acres
DISTRICT	41 fires	12 acres
TOWN	1 fire	1/8 acre

District Chief
ROBERT BURNS

Forest Fire Warden
GEORGE L. PORTER

FIRE WARDEN REPORT

The heavy expense that forest fires cause was brought out vividly in our 1971 experience. There were two small fires; but the suppression cost was over \$400.00. One of the fires was on the lower Cold River road and was probably caused by a carelessly thrown match. The location was such that both Walpole and Langdon responded. The second fire was on the south shore of the Mountain Pond. It was caused by a camp fire carelessly left. It was spotted by the look-out watchman on Highland Hill. From his description, it could have been in Walpole, Langdon or Charlestown. All of these towns responded and also Alstead. Fortunately a trail cut to the pond in 1956 and 1957 under the back roads and trails appropriation, enabled 4 wheel drive vehicles to reach the scene with equipment. The Langdon crew had to go back the second day in order to make sure that the fire was dead out. Two needlessly irresponsible acts caused this \$400.00 expense.

REPORT OF BUILDING INSPECTOR

Eight building permits were issued in Langdon for the year 1971. Two permits were for new homes, three for storage areas, two for additions to existing structures, and one alteration to an existing structure.

Due to the resignation of Mr. Caleb Wright as building inspector in early spring, the Selectmen have been performing the duties of the office.

Respectfully Submitted,

Selectmen

FIRE DEPARTMENT REPORT

The construction of new houses in Town, some of them of high value, presents a new problem for your Fire Department. The protection of these buildings, in case of fire, depends upon quick response with adequate apparatus. The equipment the Town has, although far from new, is good and well adapted to our needs. The urgent problem is in the matter of trained man-power. The equipment is only as good as the people who operate it; and with one or two exceptions, the Townspeople seem content to let a few old men and boys do the studying, training and maintenance.

Because of having a contract for ten artesian wells in Town, the contractor donated one to the Town. It was decided at the last Town Meeting, to place this at the Fire Station since it was a heated building. The Fire Company, with the assistance of Mr. Robert Gray, installed a deep well pump using their savings account to finance it. So now the tankers can be filled at the Fire Station.

A tractor fire at Mr. Jackson's was put out by Bill Kemp with a CO2 extinguisher. A car fire near Clifford Holmes' barn destroyed a car belonging to Mr. Cheeney. We did not get there quick enough to save the car; and if there had been a wind, the barn would have been in danger. As a result of these two fires, an additional CO2 extinguisher was purchased with funds from the Town Capital Reserve Fund. We also assisted on a Mutual Aid call with the jeep pumper and tanker at a dump fire in Walpole.

The Chief has served as president of the Connecticut Valley Fire Mutual Aid Association during 1971. The headquarters and dispatch center are in Springfield, Vermont. Twenty one towns belong to this association.

The following have attended 10 or more fire drills during 1971:

Dick Burbank	100	Bill Derosier, Jr.	52	Lance Riendeau	12
Kevin Burbank	84	Bill Manwaring	35	Bill Kemp	11
Bill Derosier	68	Al Chaloux	27	Scott Kemp	11
Geo. B. Porter	57	Peter Burke	25	Bob Riendeau	10
Fay Austin	52	Bob Manwaring	12		

You will notice that half of these above named are boys too young to be legally firemen and three others are way over age. However, it is our experience that boys of any age are quick to learn the basic elements of fire fighting. They have a habit of growing up. When they reach manhood, they have not forgotten what they learned as young boys. More than once we have been rescued from serious trouble at working fires, including forest fires, by grown men who had attended fire drills when they were boys. We consider it sound policy to help these boys learn all they can at fire drills.

REPORT OF CHARLESTOWN VISITING NURSE ASSOCIATION

The Charlestown Visiting Nurse Association continues to serve the towns of Charlestown, Alstead, Acworth, and Langdon through the capable hands of Mrs. Richard Farmer, R.N., B.S.

The first six months of the year, we were able to provide the services of Mrs. George Rivers, registered physical therapist. Since then, we have begun working with the Sullivan County Homemaker Service in the training of Home Health Aides. We hope to be able to provide the services of these aides sometime in 1972.

With the resignation of our office clerk, Mrs. Normand Beaudry, we have employed Mrs. Ernest Kinson, Jr.

The Association continues to operate the state and federally funded "Child-Youth Project" clinic for pre-school children.

Respectfully submitted,

SOPHIE MERRIAM (A.B.)
President

Total V.N.A. visits made for the year 1971 are as follows:

Acworth	57
Alstead	40
Charlestown	441
Langdon	32

CHARLES T. GROUT, SR.
Chief Constable

The Langdon Police Department continued to improve its performance by attending the monthly meetings of The Sullivan County Law Enforcement Agency. At these meetings we have guest speakers from the F.B.I., State Police and County Attorney's office. They put on classes, show movies and lecture on Law Enforcement, which is helpful to all Police Departments.

All cases were satisfactorily resolved with the exception of some of the breaking and entering cases, which are still under investigation.

CHARLES T. GROUT, SR.
Chief Constable
